

## 100 Questions & Answers About Erectile Dysfunction

EMPOWER YOURSELF! No man wants to read this book but many men should. Did you know that erectile dysfunction is rarely all in your head, but is sometimes a warning sign of a more serious underlying condition, such as hypertension or heart disease? If you didnt know these facts, youre not alone?and if youre one of the many men suffering from this difficult condition, this book offers help. The only text to provide the doctor and patients view, 100 Questions and Answers About Erectile Dysfunction, Second Edition gives you authoritative, practical answers to your questions about treatment options, post-treatment quality of life, sources of support, and more. This collaboration between a prominent urologist and a patient who overcame this condition is an invaluable resource for anyone coping with the physical and emotional turmoil of this debilitating disorder. With wit, empathy, and most of all, sound medical advice, 100 Questions & Answers About Erectile Dysfunction provides you with information you need to take charge of your sexual and overall health.
