

Celestes Beauty: Beautiful Inside & Out (Makeup Guide for Beginners)

A lot of beauty makeover books and TV shows and media we have nowadays. Most of them focused on how to improve their outward appearance so society will accept them, to boost their self-confidence, or to attract opposite sex. And there is nothing wrong with that. Surely, women really need tips and advice on how to improve ourselves by taking care of our outward looks. Try to consider this: Inner beauty outlasts outer beauty. And so inner beauty is what we should also enhance. There are a lot of people considered as a beauty icon not only for their external beauty, but also because of their heart for the poor, the needy, and the desolate. I have seen it on their charitable endeavors and the beauty of their hearts far outlasts any physical beauty. This book will share us the different tips and advice on how to improve ones beauty. And I have no doubt that this book is going to help you on your journey to discover the beauty within you!
