

## A Pocket Guide to Writing in History

An essential writing, reading, and research tool for all history students, A Pocket Guide to Writing in History offers a best-selling combination of concise yet comprehensive advice in a portable and accessible format. This quick-reference guide provides a practical introduction to typical history assignments, exercising critical reading skills, evaluating and documenting sources, writing effective history papers, conducting research, and avoiding plagiarism. Building on its time-tested approach, the seventh edition offers expanded, hands-on guidance for writing and researching in the digital age, and additional coverage on working with primary and secondary sources.
