

The Ultimate Digital Organization System (Swanepoel Technology Report Book 2013)

Evernote: Systemize Your Entire Real Estate Business. Real estate has always been an organizational challenge, with so many documents and so many files, coupled with the transient nature of the industry in which most agents are always on the move. Evernote is a great solution to this challenge, allowing cloud-based access to anything and an incredibly useful system to keep track of everything that matters. This eBook forms part of the 2013 Swanepoel Technology Report series. Each eBook is approximately 10 pages long and provides practical hands on tips, tools and action steps of how to use each specific technology product or service in business. Examples and case studies are also provided. Topics covered include: Blogging, Podcasting, Video, Twitter, Digital Footprint, Evernote, Klout, Mobile, Tablets, etc. Managing Author: Stefan Swanepoel, Co-Author: Michael McClure, Contributors: Sean Carpenter, Jeff Lobb, Kelly Mitchell, Chris Nichols, Jay Thompson, Kristina Wise & Kendyl Young. Editing: Thomas M. Mitchell, Cover: DJ Swanepoel, Layout and Design: Tinus Swanepoel, Graphics: Chris Long.

TESTIMONIALS

The Swanepoel Technology Report is THE go-to source for any real estate professional that has any interest in online or technology.

Lisa Archer & Laurie Davis The Geeky Girls

The Swanepoel Trends Report has been the ultimate real estate resource highlighting emerging concepts and elements shaping the business. The thought of combining the power of Swanepoel and McClures experience, passion, and knowledge to create a second publication, the Swanepoel Technology Report, has me at the edge of my seat with anticipation.

Debra Trappend11 consulting

Swanepoel and McClure together wield powerful influence in Real Estate Technology and are helping to shape the direction of the industry.
