

Instant Make-Up: The Complete Guide to Looking Good (Essential Beauty)

Make-up covers all you need to know about make-up and how to use it to make the most of your features. Packed full of useful information about the different beauty products, this book offers fresh and inspiring ideas to help find a look to suit you. Practical step-by-step sequences show how to brush up on the skills and techniques needed to apply make-up. There are essential tips for making the most of your eyes and hints for giving your nails a professional manicure, as well as everything you ever wanted to know about foundations, blushers and lipsticks. Make-up offers lots of possibilities, and experimenting with new looks is all part of the fun. With full-color photographs and clear informative text, in no time at all you will have mastered the basics, and you'll be looking great everyday.
