

## How To See and Read The Aura (How To Series)

If you've ever felt immediately comfortable or uncomfortable around someone you've just met, you've probably sensed a person's aura. Now you can learn to actually see the aura—the energy field that surrounds the human body. Popular author Ted Andrews presents simple and effective techniques for not only seeing auras, but also deciphering what the aura reveals about a person's physical, emotional, and spiritual self. Discover how to:

- See the colors of the aura and interpret their meanings
- Make simple tools to measure the aura
- Cleanse, strengthen, and protect your own aura
- Increase your sensitivity and intuition
- Boost your energy and improve your health
