

The Beatles: The Ultimate Recording Guide

This definitive volume provides instant answers to any facet of the Beatles recordings, both as a group and as solo artists. All listings are fully referenced by an exhaustive Song and Record Title Index and are aptly supported by 100 black-and-white photographs. Coverage includes a day-by-day chronology of every important date in Beatles history through early 1992; U.K. and U.S. discographies; a bootleg discography; unreleased song titles; notable album variations; and much more. The Beatles is a wonderfully detailed guide to one of the most important musical groups of all time.
