

# The Need for Interpretation: Contemporary Conceptions of the Philosophers Task (Bloomsbury Academic Collections: Philosophy)

The Need for Interpretation expresses the growing reaction within the ranks of analytically-trained philosophers against the professed aims of current Anglo-American philosophy. The contributors challenge received dogmas on different philosophical topics, covering central issues from both Anglo-American and Continental traditions. Written in non-sectarian language for non-specialists, students and professional philosophers, these reflections of philosophy concern not only how it is done, but how it ought to be done
