

## Build the Ideal Bug Out Bag: The Ultimate Guide to Preparing a 72 Hour Survival Kit for Surviving Comfortably

This book is perfect for anyone who is concerned about preparing for emergencies. We live in a world that is full of uncertainties. Whether it's a major natural disaster or a breakdown in civilized society, there's a very high likelihood that you may have to evacuate your home in a hurry someday. You never know when things are going to get so bad that you have to leave your home and seek shelter somewhere safer. It could happen today! Build The Ideal Bug Out Bag is written by Patty Hahne, the author of the popular book entitled *Doomsday Prepping Crash Course: The Ultimate Preppers Guide to Getting Prepared When You're on a Tight Budget*. She's also the owner of the emergency preparedness blog called *PreppersIllustrated.com*. This book is packed with great information that will help prepare you to survive comfortably if you are ever forced to bug out and leave your home quickly. Inside this book you'll learn: What it means to bug out and why you might be forced to. What a bug out bag is and how it's used. How to select the right kind of bag to make the ideal bug out bag. What the essential items for any bug out bag are and why you'll need them. How to pack a bug out bag correctly so that it's easy to carry. How to make sure that you have everything you need to survive comfortably when you bug out. and much more! Buy this book NOW and you'll be well on your way to building the ideal bug out bag! Not only that, you'll learn the secret to having more than you need to survive when the day comes that you have to grab your bag and bug out and run. Knowing this secret can be a real game changer.
