

Madaket Millie (Picture Books)

How do you become a legend on Nantucket? If you're Millie Jewett, you patrol beaches, battle a shark, lead evacuations, and pluck vacationers from the sea that wants to swallow them. It's refreshing to find a true story of a woman with brawn as well as brains, and who tests her considerable physical prowess against the elements rather than in the sports arena.... --The Bulletin of the Center for Children's Books A perfectly matched pair... Though this biography will find an eager regional audience, the appeal of Millie's tale, like her generous spirit and the ocean she adored, is far more expansive. --Publishers Weekly
