

# Manual of The Mother Church: The First Church of Christ Scientist In Boston, Massachusetts

The Manual of The Mother Church is the book that establishes the structure and governs the Christian Science Church, functioning like a constitution. It was written by Mary Baker Eddy, founder of the church. It was first published in 1895 and was revised dozens of times. The final edition, the 89th, was published in 1910, two weeks after her death.
