

Cosmic Trigger III: My Life After Death

This, the long-awaited third volume of the Cosmic Trigger series, includes Wilsons witty and humorous observations about the widely spread (and, happily, premature) announcement of his demise. And, of course, what Wilson masterpiece would be complete without synchronicities, religious fanatics, UFOs, crop circles, paranoia, pompous scientists, secret societies, high tech, black magic, quantum physics, hoaxes (real and fake), Orson Welles, James Joyce, Carl Sagan, Madonna, and The Vagina of Nuit.
