

# Critical Thinking: Tools for Taking Charge of Your Learning and Your Life (2nd Edition)

Critical Thinking is about becoming a better thinker in every aspect of your life: in your career, and as a consumer, citizen, friend, parent, and lover. Discover the core skills of effective thinking; then analyze your own thought processes, identify weaknesses, and overcome them. Learn how to translate more effective thinking into better decisions, less frustration, more wealth and above all, greater confidence to pursue and achieve your most important goals in life.
