

## Soul Survivors: An African American Spirituality

At the roots of African American Christian life is a powerful force of soul, a dynamic spirituality that provides joy and hope. This African American spirituality empowers a celebration of life that transforms culture. The dynamic experience of African American churches establishes a new kind of freedom that sets an example for all other peoples in their struggles for liberation from the worlds shackles. Soul Survivors is a stirring call to celebrate the depths and diversity of spirituality found among African American Christians.
