

A Resource Guide for Teaching K-12 (with MyEducationLab) (6th Edition) (Pearson Custom Education)

Practical and thorough, this engaging resource guide truly practices what it preaches: hands-on, activities-rich, research-based, performance-driven teaching. With its hallmark practicality, A Resource Guide for Teaching K-12 uses case studies, sample units with lessons, opportunities for practice and feedback, and activities to equip future teachers with numerous examples of best practices, current research findings, and proven teaching strategies. This is truly one of the most comprehensive texts on the market today, made even better with its organization designed around the decision-making phases of instruction.
