

Educational Research: Competencies for Analysis and Applications with MyEducationLab with Enhanced Pearson eText, Loose-Leaf Version -- Access Card Package (11th Edition)

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you will also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson. If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. This package includes the loose-leaf version and MyEducationLab Comprehensive yet accessible. The updated Eleventh Edition of Educational Research: Competencies for Analysis and Applications introduces research mainly at a how-to skill and application level. A total instructional system, the book includes stated learning outcomes, instruction, and procedures for evaluating each outcome. It supports readers as they develop expertise in research, learning key concepts and skills and becoming involved in the research process itself. The authors take a down-to-earth approach that helps the reader become both an educational researcher and a competent consumer of educational research. Personalize learning with MyEducationLab. MyEducationLab is an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through real classroom video footage, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes. 0134271718 / 9780134271712 Educational Research:
