

The New York Old-Time Radio Schedule Book - Volume 2, 1938-1945

This is Vol. 2 of a 3 volume set. From the authors introduction: The purpose of this series of books is not to be the ultimate source of OTR information; rather, it is to be used alongside the sources listed below. This book is meant to be used not only by OTR fans who want to research the history of OTR; but, to also remind the older generation of the superior quality of entertainment they once had and to introduce to future generations the wonderful imagination and creativity that was once OTR. These books are a list of national and local New York-based OTR shows from Fall, 1929 through Summer, 1954, in an easy-to-read grid format. Each section lists the OTR shows that were playing during that particular calendar season in that particular OTR year. The shows that are listed were on the four major OTR networks (Blue/ABC, CBS, MBS, and NBC) and their local New York affiliates from 9am to 11pm, Monday through Sunday.
