

## Essentials of Modern Business Statistics (with CD-ROM) (Available Titles CengageNOW)

From the renowned author team that has been writing market-leading business statistics textbooks for more than 20 years, **ESSENTIALS OF MODERN BUSINESS STATISTICS, 3e** provides a brief introduction to business statistics that balances a conceptual understanding of statistics with the real-world application of statistical methodology. The latest version of Microsoft Excel is integrated throughout the text, showing step-by-step instructions and screen captures to enhance student learning. The Third Edition contains the same student learning features that have made ASW products best-sellers for years; features include the problem-scenario approach and real-world examples that introduce statistical techniques.
