

Fantasy Baseball for Smart People: The Art (and Science) of Being Contrarian in DFS

The daily fantasy sports marketplace is rapidly changing, and there's currently more incentive than ever to be a contrarian DFS player. But what does a true contrarian strategy look like, and what are the smartest ways to go against the grain? In *Fantasy Baseball for Smart People: The Art (and Science) of Being Contrarian in DFS*, Jonathan Bales maps out your plan of attack, providing equal parts strategy and analytics to help you become a profitable player. From the philosophy of antifragility to innovative stacking techniques to weather-adjusted ballpark stats, you'll learn both the art and science of daily fantasy baseball. Using historical data on what actually works on daily fantasy sites like DraftKings and FanDuel, *The Art (and Science) of Being Contrarian in DFS* is built on the premise that the best DFS players test their beliefs and constantly adapt in an ever-changing landscape. This book will teach you the tenants necessary to evolve, survive and thrive in DFS.
