

Flirties - A-Z Guide To Lash Enhancements

This book is intended as a reference guide for all those interested in learning about lash enhancements and offering this treatment to clients and it will hopefully also help to clarify some of the confusion and misunderstandings with regards to terms and names used differently within the industry. An A-Z guide to all the important factors around lash enhancements combined with tips and tricks of how to use products, what to look out for, recommendations for the various treatments as well as suggestions for setting up your own business or adding one of these treatments to your portfolio.
