

Get Noticed: Your 2016 SEO, Social Media and Content Marketing Guidebook (Increasing Website Traffic 7)

Search Engine Optimization (SEO) can be quite confusing. Using Social Media can be worse. And writing killer content that people love? Boy, that can be tough. The good news is that tons of experts have discussed these topics in-depth all throughout the past year. Buying this book will give you all of that discussion, fill you in on all of those topics. Its full of the most useful articles from 2015, plus tons of commentary on them and analysis of their findings. To get an idea of what Im talking about, check out my weekly Midweek Content Roundup posts: <http://www.bigskywords.com/writing-blog/category/midweek-roundup>. Youll find trends, analysis, and expert opinion that appeared all throughout 2015 on the top blogs in the industry. These include: Moz Boost Blog Traffic Quick Sprout Social Media Examiner Search Engine Journal Search Engine Land Search Engine Watch Marketing Land Content Marketing Institute Forbes Entrepreneur Business 2 Community Social Media Today Buffer Social HubSpot Hot in Social Media Kissmetrics and more! Thats right - this is content curation. What Ive done is the same thing I did with my 2014 guidebook, which was called Stand Out. Ive spent the year compiling the best posts on SEO, social media marketing, and content marketing from 2015. Its collected here for you, compiled and sorted so it makes sense. Thats valuable. Now you can pinpoint relevant articles that deal with: Facebook advertising Local SEO targeting Twitter hashtags Content headlines SEO snippets Email marketing Link building and a lot more! Dont let this critical information pass you by. While its true you could go back through the archives on those sites, and tons of others Ive visited, why would you want to? Instead get this book and get noticed in 2016. Isnt it time?
