

God by Topic - Wisdom: Gods Word, By Topic, At Your Fingertips

Gods Word, By Topic, At Your Fingertips
Have you ever wanted to know what the Bible says about a specific topic and immediately find related scripture? That is exactly what the God by Topic series is all about. Timothy Grant has collected and organized scripture from the Bible on a topic by topic basis so that you can quickly and easily find what God says about the specific subject you need His guidance on. In this book of the God by Topic series the subject covered is Wisdom. Often times in our lives we have issues that seem confusing or even insurmountable. In times like these we should always turn to Gods instruction manual: The Bible. When we put our faith in God and seek his wisdom we allow for our lives to be transformed and our spirit to be refreshed. There is no situation in life that cannot benefit from looking towards Gods word for help and comfort. ***NOTE: The whole series is available as a single book: God by Topic - The Complete Collection***
