

Marie Claire Hair

Hair: it should be every woman's crowning glory and with Marie Claire's gorgeous, fashion-forward guide, it will be. From care to cut to color, it contains all the practical information you need to know, lavishly illustrated with glamorous and dramatic photos. Learn about the secret life and science of hair, favorite treatments, and brilliant strategies to attain sleek, smooth, or curly perfection. Do a quick diagnosis to see what shape your hair is in, and check out solutions to repair any damage from the elements, dyes and perms, stress, aging, or even too much shampooing. Blondes, redheads, brunettes will all discover tailor-made ideas for achieving seductively stunning tone and highlights, while those going gray will find out how to hide the evidence or remain magnificently natural. And for anyone who delights in dyeing her hair a rainbow of fun colors that's here too! An array of fabulous styles covers short and long looks, beautiful bangs, cuts that enhance youthfulness, plus chic chignons and braids. Top hairdressers also weigh in, revealing their own special tips and tricks. As always, Marie Claire offers a goldmine of inspiration that no woman can do without!
