

Haunted Gardens

Haunted Gardens is a brand new book from the renowned supernatural writer, Peter Underwood. The world today is fascinated by life after death, and the affect that the other side has on our lives. Paranormal expert Peter Underwood has decided to explore ghostly gardens for the very first time in history, and shows, with examples from all over the world, just how spooky gardens can be! Countries include: the UK and Ireland, the USA, France and Germany. Carefully researched and fully illustrated with Peters own photographs, this new book is sure to be an ideal gift for anyone interested in ghosts and the paranormal.
