

Contemporary Romance THRUST: Medical Romance - BOOK ONE

SPECIAL OFFER \$2.99 (Regularly priced: \$3.99) READ FOR FREE WITH KINDLE UNLIMITED I had to get away, had to escape from my abusive fiancé and at least try to start over. I should be safe, just as long as he can't find me. Being an Emergency Room nurse in a big city like Seattle is a tough job, especially when you're brand new. In this hospital, we hit the ground running and don't look back. It's tough to fit in, but even tougher when I find myself falling for the gorgeous ER doctor. He's got the smoldering good looks of a model and a charming personality to go with it. But my last relationship screwed me up good, and I'm still in the process of running from those demons. Is it safe? Is he safe? Because I'm not sure if I can stay away ... I'm not even sure I want to. Read more.... Download your copy today! for a limited time discount of only \$2.99!
