

How to See Like a Hawk When You're Blind as a Bat : A Patients Guide to LASIK Laser Vision Correction

Board certified ophthalmologist and corneal surgery specialist, Dr. Matthew Ehrlich, has created the most current and complete guide to LASIK Laser Vision Correction -- a safe and permanent eyesight correction technique that is experiencing explosive growth among millions of Americans (virtually doubling in popularity every year). This easy-to-understand book answers questions about laser vision correction procedures, their safety and cost, the success rates, recovery time, what different vision problems qualify for laser treatment, new and future technology, and exactly what takes place during the laser surgery process. And most important, it answers the overriding question whether laser patients can throw away their glasses and contact lenses forever...
