

# Huh? or Hearing Utterances & Humor or Clarifying Hearing Loss & Hearing Aids or A Hearing Doctor Talks Shop

If you've ever wondered about hearing loss and hearing aids, this is the absolute best book for you. Written by a certified and experienced Doctor of Audiology, this book is clearly understandable and highly informative, written for patients and consumers alike. There is no better first source of hearing information. This book will inform you, humor you, equip you and make it much easier to know what you are looking for BEFORE you ever step into a hearing center. Conversational in nature, this book was purposely written as the Doctor would speak to her patients or anyone walking into her office. Countless hours of repetition of these topics and information have caused the Doctor of Audiology to write this book. You will not be deceived or swindled if you read this book, so it has very important and financially driven motivation as well. Knowing this hearing and hearing aid information will enable you to be a knowledgeable consumer or patient and will give you the tools you need to not fall for any misinformation that is out there, of which there is a considerable amount. Enjoy the ride as you learn everything you need to know about hearing loss and hearing aids!
