

Crossed Currents: Navy Women from WWI to Tailhook

This study is a history of US Navy women from World War I to the present day. It is a comprehensive chronicle that suggests the infamous Tailhook scandal was to be expected. This new edition includes a post-Tailhook chapter that brings this story right up to date, and covers other recent developments in Navy women's ongoing struggle for acceptance. Jean Ebbert is the author of *Welcome Aboard* and *The Sailors Wife*.
