

Impossible Takes a Little Longer: A History of Israel in Political Cartoons from the Yom Kippur War Through the Lebanon Campaign

The eight years that began with the Yom Kippur War and concluded with Israels evacuation of the Sinai desert, were among the most tumultuous and decisive in the dramatic history of that tiny Middle East democracy. The author wielding his sharp pen with insight and knowledge illuminated the history of those years in the dozens of publications in which his cartoons appear weekly through-out North America. This is a compilation of those cartoons.
