

Improve Your Writing: Sixth Edition

From selecting a topic and conducting research to developing an outline, writing drafts, proofreading, and more, *Improve Your Writing* takes you step-by-step through the creation of a successful research paper. Applicable to any kind of writing addressing any subject matter, author Ron Fry's fundamental and systematic approach goes beyond one size fits all checklists to offer real advice that can be adapted according to your individual needs and situations. Ideal for anyone hoping to establish essential research, organization, and writing skills, the text empowers you to excel in school, on essay tests, and in life.
