

Ironplanner (Ironman Edition)

Iron Distance FAQs
 Plan Your Ironman effectively
 Training logs and mental toolkits
 Dont drown in the details of getting ready for your Ironman race. Spend your valuable non-training time recovering, working and being with your family. Ironplanner - Iron-Distance Organizer for Triathletes is full of worksheets and checklists that will organize every aspect of your Ironman race preparation so you dont have to. It starts with the Ironplan Countdown, a checklist of over 100 things you must do from the day you start to train, to the day you stand at the starting line. Throughout your journey, Ironplanner helps you keep track of elements crucial to Ironman success from fueling strategies to building confidence. The extensive mental toolkit guides you through the development of a powerful and personal mental strategy. Everything will go into an epic race plan, your personal recipe for success.
