

# A Gospel Christmas: Our Journey Connecting Santa and His Elf to the Story of Our Savior

With kids in tow it can be quite difficult to rein in the Holiday chaos of the Christmas season. Presents, lights, parties, decorations, hosting family, and all the plastic stuff we spend an entire paycheck on can get out of control in the blink of an eye. As the holiday pressure grows, you might wonder ... How do I teach my children the true meaning of Christmas in a world that calls it a Holiday? How do I keep all the fun and point them to our Savior at the same time? Is it possible to connect Baby Jesus, Santa, and even that naughty little Elf? If you have struggled with these questions, then you are in the right place! Join Jennifer on this journey of celebration and watch not only your children, but your whole family embrace the true meaning of Christmas. This is one family's story of how teaching Elfie a little grace, and exploring the life of Jesus through scripture and easy crafts, took their Christmas from self-centered to Kingdom-minded. A Gospel Christmas is a 25 day journey through the life of Jesus Christ. It can be used at any time during the year, but is best suited for the month of December leading up to Christmas.
