

The Communist Manifesto

One of the worlds most influential political treatises, The Communist Manifesto outlines the base principles of communism as they relate to class struggle, economics, and politics. Originally published in 1848 as the Manifesto of the Communist Party, The Communist Manifesto was foundational to the development of modern communism and socialism. Be it mystery, romance, drama, comedy, politics, or history, great literature stands the test of time. ClassicJoe proudly brings literary classics to todays digital readers, connecting those who love to read with authors whose work continues to get people talking.
