

Master the GMAT 2015: Integrated Reasoning: Part IV of VI

Peterson's Master the GMAT 2015: Integrated Reasoning offers comprehensive review and practice questions for the GMATs Integrated Reasoning section to help boost your score. In this section, you'll learn a step-by-step approach for tackling graphics interpretation and table analysis questions, multi-source reasoning questions and two-part analysis questions. You will also gain useful tips and key strategies to answering integrated questions successfully. This eBook is a breakout section containing selected content from Peterson's Master the GMAT 2015 which provides students with detailed strategies to help maximize their test scores AND offers hundreds of practice questions to help them prepare for test day. For further GMAT test preparation, the complete eBook and other breakout sections are also available.
