

## Mr Jones Rules for the Modern Man

A witty, stylish and indispensable guide to being a modern man. It is tough being a man in the twenty-first century. First there are the big dilemmas, like how to get a pay rise and how to suck up to your boss. Then there are the minor irritations: how do you beat jet-lag, and how do you stop your trousers sliding off their hangers? And finally there are all those things you ought to know, but don't: how to jump-start a car, how to buy lingerie, how to stop smoking, how to tie a Windsor Knot, how to behave at a lap-dancing club ... the list is endless. Fear not. In *Mr Jones Rules*, the highly respected editor of *GQ* magazine, draws on his wealth of experience to give the final answer to these questions and more. It will be the must-have present for every husband, boyfriend and son this Christmas.
