

# Maker Pro

Maker Pro is a book of essays by more than a dozen prominent and up-and-coming professional makers (Maker Pros). Each essay includes advice and stories on topics such as starting a kit-making business, taking a hardware project open-source, and plenty of encouragement to quit your day job. This book is a reference for anyone who dreams of turning a hobby into a small business, and features stories from well-known professional makers; it will turn aspiration into inspiration.
