

A Manual of Catholic Theology, Vol. 1 (Classic Reprint)

Excerpt from A Manual of Catholic Theology, Vol. 1 The knowledge of God which can be obtained by means of Revelation is called Revealed Theology, in contra-distinction to Natural Theology, which depends on human reason alone. The Natural Theology of Paley and other English writers - that is, the knowledge of God obtainable by the study of Nature - is a branch Of this more extensive Natural Theology. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
