

## How To Be Born Again (With Built in Study Guide)

Man has a problem and God has an answer in Christ. How do we respond? Dr. Graham gives the answer in simple, direct, and dynamic language. But he does not stop with the moment of the new birth, for newborns have a lot of growing to do. Here also is essential guidance to take them further, for they can scarcely realize so soon the potential of the new power God can release from deep within them. How to Be Born Again is at once universal and personal, for the new Christian and for the Christian along the way an irresistible primer for finding salvation, a guidebook for continuing growth.
