

## Sex Tips for Gay Guys

You think you've got all the moves. And you may. But do you know the preferred moves, mores and man-pleasing tactics for a host of other gay types? From the Campus Queer to the Do-Me Queen, the Twelve Stepper to the Sugar Daddy, Dan Anderson unleashes his expertise to disclose the secret longings of a host of hotties. You'll learn to master such sure-fire tricks as the Up, Twist, Over and Down, the Twirl and the Head Rub. Anderson and his posse of urban adventurers have seen and done it all, and now they spill their great, gritty sex secrets between two hard covers. But there's more in *Sex Tips for Gay Guys* than just hot, hard how-to information about how to be great in the sack. Anderson, with the skill of a master sociologist and the wit of a baby Paul Rudnick, paints a picture of gay rituals, mating and dating at the dawn of the new century. You'll recognize everyone you've dated--and a few you're yet to meet--in this hilarious book.
