

## The Fruits of the Devil: The Problems of Humanity

Every believer knows about the fruits of the Holy Spirit, which believers strive to embrace and embody. But are you on the lookout for the tempting fruits of the devil? When the devil crept into the Garden of Eden and offered the forbidden fruit to Eve, she ate it, and offered it to Adam, who ate of the forbidden fruit too. They disobeyed God, and were cast out of the garden. They lost the dominion that God wanted them to have over everything. Jesus Christ came to the world to shed His blood, to pay the price for that mistake. But ever since then, the sons of Adam and daughters of Eve have been taking the devils fruits from his deceitful hand. Any time you eat these poisoned fruits, you turn away from God. This book is an essential tool in your walk with God-it will educate you about the three deadly fruits of the devil, and with scriptural examples, it will show you the price others have paid for eating these fruits, and also how the Bible teaches us to resist and overcome the devils temptation. Dont spend another day in sin-learn to say no to the devil, who is the father of lies, and draw closer to your Father in heaven.
