

Shannen and the Dream for a School (Kids Power Book)

The true story of Shannen Koostachin and the people of Attawapiskat First Nation, a native Cree community in Northern Ontario, who have been fighting for a new school since 1979 when a fuel spill contaminated their original school building. Shannens fight took her all the way to Parliament Hill and was taken up by children around the world. Shannens dream continues today with the work of the Shannens Dream organization and those everywhere who are fighting for the rights of Aboriginal children.
