

# The College App Map: A Start-to-Finish Workbook for Mastering the Admissions Process (College Admissions Guides)

As if getting accepted into a college of your choice isn't hard enough, determining which college best suits your skills and interests, keeping track of when to take each test and which teachers you've asked for recommendation letters not to mention deadlines is pretty overwhelming. Here to guide you through all of the challenges of applying (and getting accepted) to your top schools is the College App Map. Packed with charts, checklists, and trusted advice from the Princeton Review, this journal gets you organized, inspired, and proactive about the admissions process in a fun and stress-free way. Now, if only school were that easy!
