Sexually Abused Child Reveals Astonishing Secrets About Her Stepdad...

True Story

By Nicole White

Warning: This material is for people who are 18+ years old. Statistically, 1 in 3 girls and 1 in 6 boys are sexually abused by their 18th birthday. When children are abused at a very young age, they do not really talk about it, creating this gap between confusion and reality. Not until now! If you have experienced child abuse yourself, you'll find this book quite helpful, because you'll learn how not to let the abuse affect your future relationships and loving life. You'll learn how to escape from the chains of shame, guilt and fear. This book is based on a true story of Nicole. She has been sexually abused by her step-dad for a decade. How that happened and why the abuser got away with it for that long? This story will show you that regular abusers in society are not what we think they are. In fact, most of them are respected people in our community. You'll learn how abusers control and manipulate so that you can stop being a victim yourself or to prevent someone to be a victim within your own family. Learn the shocking story of Nicole!
