

The Entrepreneurs Companion: Help! I Dont Even Know What I Need to Know About Starting a Business

Entrepreneurship is where great leaders are born. Starting with nothing but an audacious idea and too much confidence, entrepreneurs bring together the people, the money, the resources, the commitment, and the sweat to make the dream real. Its an act of creation. This book will provide the reader with a road map of how to get started in the process. The goal is helping the reader learn enough to know what areas they need to explore to take their next steps. If they decide entrepreneurship is for them, there are dozens more books and hundreds of web sites full of resources to get them on your way. This will help them decide whether or not theyre up to the task.
