

Wacky Websites Page-A-Day Calendar 2009

When your boss turns her back, discover a new online escape with just a click of the mouse. Featuring the kookiest, funniest, oddest, geekiest, and most amusing sites out there, Wacky Websites offers a year of utterly addictive (if often pointless) entertainment. Flash back to the elementary school lunchroom with an online museum of lunch boxes (with matching thermoses, of course!). Learn the exciting sport of squirrel fishing. Plus a recipe for real southern moonshine, an Elvis-sighting bulletin board, a dictionary of British teen slang, and TGIF Time Wasters, including Rate My Bunny, a site where you rate the cuteness quotient of bunny rabbits. Okay, maybe you should get back to that spreadsheet now.
