

The Colossal COLUMBO Quiz Book: A Plethora of Perplexing Questions About Televisions Greatest Detective Show

Multiple-choice and matching quizzes relating to the television show. Over 600 questions cover topics including: the producers, directors and writers of the series; awards won by the show; details about the star, Peter Falk, and his character, Lieutenant Columbo; background on the many famous guest stars; the motives behind the murders, and the methods used; the occupations of the killers, and the relationships between them and their victims; bogus alibis, frame-ups, and other deceptions employed by the murderers; the clues that enable Columbo to solve the crimes; general trivia questions, and a crossword puzzle. The Introduction is an extensive commentary on what made COLUMBO a unique detective series and an extraordinary television program.
