

The Dirty Little Secret: Uncovering the Truth Behind Porn

Addiction to pornography has exploded to epidemic proportions, infiltrating churches and holding our pastors, friends, and family members prisoner. But no one—not even the church—is talking about this dangerous and destructive addiction. The Dirty Little Secret follows Pastor Craig Gross as he breaks the silence and begins his ministry XXXchurch.com, a website devoted to fighting pornography. As he meets people in the industry and those addicted to porn, Craig exposes the very real, human face of pornography and the destructive physical, emotional, and spiritual toll it takes. The Dirty Little Secret plainly reveals the addictive lure of pornography, explores the pain and brokenness it causes, and challenges us as individuals and as the church to talk about and openly fight pornography. Don't be tempted to keep this secret any longer. If this book won't make you roll up your sleeves and get your hands dirty, then you need to check your pulse. Skip Mathews, president, Integrity Online
