

# The Native American Story Book Volume Three Stories of the American Indians for Children (Volume 3)

Through storytelling, the rich history of the Native American tribes is alive and well today. It has been shared and preserved and still pays tribute to fallen heroes of the past. It is through these glimpses into the past, and these stories much like the ones that are contained in this book, that you can see what a proud heritage they possess and how in tune with the Earth Native Americans really are. With this book I hope you understand the Native American people a little better and understand where they have come from and what they can offer the world. By exploring these stories, I offer you a glimpse into an often forgotten past. Included in this book are the stories: The Song of Hiawatha, Iktomi and the Muskrat, The Boy and the Turtles, The Arrow Chain, The Toad and the Boy, The Sparrow Hawk and the Grasshoppers, Origin of the Groundhog Dance, The Eye Juggler, The Tree-bound, The Sun Snarer, How the Rattlesnake Learned to Bite, The White Trail in the Sky, The Pet Donkey, The Enchanted Horse, The Story of the Peace Pipe, The Raccoon and the Crawfish, Splinter Foot Girl, Creation of Man, The Orphan and the Owl, Coyote and Sun, The Children of Cloud, Iktomis Blanket, Why the Apaches are Fierce, and many, many more.
