

Hands-on History: World History Activities (Hands-on History Activities)

Making learning fun and interactive is a surefire way to excite your social studies students. This book includes game-formatted activities for major historical topics. While the goal of these activities is to create excitement and to spark interest in further study, they are also standards based and include grading rubrics and ideas for assessment. Encouraging teamwork, creativity, intelligent reflection, and decision making, the games of Hands-on History Activities will help you take an active approach to teaching while inspiring your students to make their own explorations of history. This resource is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills. 204pp.
