

What Color Is Your Parachute?: A Practical Manual for Job-Hunters and Career-Changers

WHAT COLOR IS YOUR PARACHUTE? HOT AGAIN, 30 YEARS AFTER DEBUT. So ran the headline this past October in the Seattle Times. Actually, it has been hot the best-selling job-hunting book in the world year after year, for more than three decades now, so much so that it is referred to as the job-hunters bible. Each year it is updated, and sometimes vastly rewritten, by the author, giving first-time and veteran readers alike something new to discover. For those who have not read an updated version in recent years, this is a reminder of why, in the words of Fortune magazine, PARACHUTE remains the gold standard of career guides.
